bany Soldier nong 44 Killed Plane Crash

...Donald Drinnen, a 22-year-Albany father who had never his infant son was among 44 icemen killed in an airplane b last Saturday near Soule, ea, according to an army re-.

e was the husband of Mrs. y J. Drinnen of 1115 Brighton , and father a 3-month-old ey Drinnen.

he U.S. Air Force C-119 "Fly-Boxcar" was carrying the serv-ien back to the war zone from ve-day rest and rehabilitation e in Japan when it rammed into 000-foot mountain only a few ates away from its destination.

graduate of Albany High ool, Drinnen entered the serv-in August, 1951, and received e training at Ft. Ord. He was ched to a team of combat en-ers in Korea and had spent some eight months in the war zone.

Cpl. Drinnen was the son of William C. Drinnen of 421 Kains Ave., assistant secretary of the Board of Trade in San Francisco.

Legion to Hear School Officials

Members of Albany Post No. 292 American Legion will hear first hand information on the general conditions and problems of the Albany school system at the regular meeting set for 8 o'clock tonight at the Veterans Memorial Building.

Speakers will be Dr. Paul C. Bryan, superintendent of schools, and William Woolworth, director of instruction.

During the business session 17 new members will be inducted as part of the Post's 1953 membership drive. The quota is set at 313.

Invitations will also be distributed to members for the Past Commander's Private Party to be held at the Memorial Building December 5.

Council Asks Jury Probe of Itself; 1309 Sign Mrs. Zahn's Petition

The Albany City Council today has asked investigation of itself by the Alameda County Grand Jury "to determine whether or not any fraud or corruption willfully exists in our city government."

Introduced by Councilman Lewis M. Howell at the Monday night meeting, the measure was unanimously approved by the five Council members.

Reading from a prepared statement, Howell's motion asked that the "District Attorney or the Alameda County Grand Jury be solicited to determine whether or not any fraud or corruption willfully exists in our city government and that our officers and employes give their fullest cooperation to any investigating body that is empowered to study our government operation."

Howell, who said in his statement that he had served on the Council since last April, charged that "since that time and prior to my serving on the Council this city council and prior city councils for at least two years have been subject to constant attack and ridicule by a certain member of this Council."

"It is my personal belief," he added, "that Albany has had and still has capable and efficient representatives in our city government."

Howell did not name the "certain member" of the City Council he referred to in his statement but did point out that he had read in a newspaper "that inference is made that a member or members of our Council would stoop so low as to prevent a referendum petition being delivered to our City Hall by one of our Council members."

Earlier in the day Councilwoman Mrs. Kathie Zahn had requested and received a police escort from her home to the meeting as insurance against any possible loss of a referendum petition she presented at the Monday night session.

Mrs. Zahn presented the petition containing 1309 signatures, protesting a recent resolution passed by the Council establishing the post of city administrator.

The petition was referred to the City Clerk and City Attorney for a check of signatures and a ruling on legality.

Providing the petition is in order, the Council will be faced by three alternatives: To repeal the resolution, to submit the measure to the voters at the nex municipal election, or to call a special election for that purpose.

Over the protests of Mrs. Zahn, the Council withdrew a bid contract with an Oakland firm to provide venetian blinds for the new City Library and awarded it to the Simmons Shade Co. of 1335 Solano Ave.

"Asking for bids is just a farce," said Mrs. Zahn, "and doesn't mean a thing. If a businessman does not belong to the clique he might just as well not bid."

Mrs. Zahn asserted that the council accepts bids and then throws them out too often. "Pretty soon businessmen will refuse to do business with the city of Albany," she said.

The Council voted 4-1 on recommendation of the Library Board to accept the higher-priced blind.

Mrs. John L. Hastings, president of the board, said that following thorough investigation it was found that the blinds manufactured by the low bidder were of "inferior quality."

H. A. Runde, manager of the low bidding firm in Oakland, claimed Mrs. Hastings "gave a very false impression of our blind." He said his product has been accepted for U.S. Government projects in direct competition with higher-priced blinds.

Mrs. Zahn pointed out that the library architect and a member of the library board initially recommended the lower priced blind "and we accepted it."

"Now that it doesn't work out that a member of the clique gets the job, bang, out the bid goes. That's the way we do business in Albany," she said.

Councilman Edward Combs termed Mrs. Zahn's statement as being "beyond her authority and responsibility" and that she was "casting aspersions on the City Council." He also termed her inferences "deplorable."

"I'm loyal," Mrs. Zahn shouted back. "I don't belong to the clique. This is a government of the clique, for the clique and by the clique."

The movies, "Human Beginnings" and "Human Growth" will be shown to members of the Marin PTA at 1.30 p.m. Tuesday.

Albany High to Give Masquers' Varieties

I SAVED $116.86 ON THE CAR I BOUGHT
"I made over a 50% down payment on a late-model car. I was told it would cost me $257.60 to insure the car and finance the balance of $700.00. Lucky for me I'd talked to a State Farm agent first, because I used the Bank Plan instead and paid an insurance and financing charge of only $140.74. I saved $116.86." (*One of many actual cases.*)
Many People Assume Finance Rates Are Standard
THEY ARE NOT!
The Bank Plan offers you two proven money-saving methods. *Low-cost* financing through a nearby bank and *low-cost preferred-risk insurance* rates. Get your own figures on the cost of the car you want and COMPARE them with Bank Plan costs FIRST! Call or see your State Farm agent BEFORE you buy.

TV NEWS

By MILT BLANCHARD

Today we're going to let you in on a secret story of a big fight about to be waged between television and the theaters—with a big fat prediction on our part that video will turn out to be the winner. The battle has to do part with theater television of major events and it was touched off by the recent showing of the Marciano-Walcott heavyweight championship battle in a dozen or so movie palaces around the country.

The bout was neither telecast nor broadcast, cheating over a hundred million of us throughout the nation of being present (by proxy) at ringside. The howl that went up touched off the spark that was needed, and it won't be long, we believe, before the powers that be will recognize the fact that the TV and radio owning public deserves entry to such major events . . .

Those of you who are long-haired music-minded may want to know that video will continue to telecast recitals and concerts of serious music, the promoters being unworried about box office receipts falling off. The reason is that the sponsors of concerts are taking the word of Marks Levine, president of the biggest serious music talent in the nation, who has declared that "television has failed to hurt the concert business because anything which gets people out of their homes always will have appeal. And speaking of appeal, Television has an appeal for all kinds of taste and interest . . . from be-bob to classical, from sports to cooking. If you are still without a TV set, don't delay any longer . . . get one now—today. It will mean hours of comfortable entertainment in your own living room. And remember the TV set to get is PHILCO sold at SKIP'S RADIO & TELEVISION SERVICE, 1553 Solano Avenue . . Phone: LAndscape 5-4313.
